Re: Swine Flu

The SRSL has received a few letters of concern over the recent outbreak of Swine Flu.

The league would like to recommend that the customary post-game handshake be replaced by some other sporting gesture for the duration of this flu.

The customary post-game handshake can still be done if agreeable by both coaches. Both Coaches should advise the referee of their decision before the start of the game.

If you have any questions or concerns please contact the league office.

Thank-you
